ABOUT THE STATE.

Items of Interest Gleamed From Our
Exchanges.

The government lighthouse supply boat "Daisy" arrived at Burlington Wednesday afternoon with a cargo of buoys for the lake and of supplies for the lighthouse.

The Rev. John W. Buckham and family of West Calais, Vt., have arrived in Burlington on a visit to Rev. Mr. Buckham's father, President Buckham of the University of Vermont.

The Hon. Frank Plumley of Northfield, who was the inspiration in the Franco-Venezuelan commission, was the principal speaker at the Trinity church Men's Union of Worcester, Mass., on Monday evening.

E. N. Merriman of Rutland the veteran piano tuner celebrated his 75th birthday early in the week. Mr. Merriman is still actively engaged in his work of putting pianos into the proper tone and has tuned 5,000 musical instruments.

Andrew Cotogni of Rutland was a victim of a practical joke recently which sent him on a wild goose chase to Towns in a hurry spurred on by fear. Mr. Cotogni received a telegram stating that if he wished to see his son alive he must go to him on the next train. The frightened father left immediately for the son's home in Towns and when he arrived he found him in good health. Neither knew whence the telegram could have come.

Rutland is in a hurry to have the grade crossings abolished as the state railroad commission has decreed that they must be. On Tuesday an elderly man driving a horse hitched to a sledge started to cross the railroad at the South Main street crossing. He could not see the approaching train, but his horse heard the noise of it and became frightened, running suddenly and starting the sledge at a run just in time to escape being struck by the oncoming train. If the wagon had been a four-wheeled vehicle instead of one of two wheels the incident would have been likely to have ended fatally.

STREET TO AID ARREST

American Assists in Re-
markable Episode—Haled

New York, May 18.—A special cable from Paris says:

James Watson, an American, has been arrested as the result of a remarkable street scene. A bicyclist was knocked down and badly injured by a heavy vehicle, James, who was riding on a passing omnibus, drew a revolver and shot the horse, thus preventing the driver's escape. Mr. Watson was taken to the police station and held. He offered to compensate the owner of the horse. Watson is a resident of Denver. The magistrate released him on bail.

TWO SHIPS LOST AT SEA.

stroyed by Fire.
